EXPERIENCE

Hungerswipe | Visual Designer

Oct 2020 - Present, Remote

Collaborated with developers and designers to propose new designs and features for the Hungerswipe app, striving to connect restaurants to consumers and bringing traffic to restaurant businesses.

MediBoard | UX Designer

Sep 2022 - Dec 2022, Seattle WA

Created user stories and personas, and incorporated them into design decisions, resulting in optimal design solutions. Conducted usability testing with more than 20 users to better understand user behaviors and usability patterns. Re-designed web and mobile UI to increase usability rating by 10%.

Fractal Networks | UI/UX & Graphic Design

Oct 2021 - Jan 2022, Remote

Worked closely with CEO, design team, and engineers to design UI for Fractal Link website. Produced surveys and conducted interviews to identify user pain points and potential design solutions. Led and moderated user testing. Conceptualized logo design to promote brand.

Mentorz | Visual UX Design

Sep 2019 - Sep 2020, Remote

Designed new iterations and features for the Mentorz mobile mentorship app, aiming to help mentors and mentees connect with each other to achieve goals and develop new skills. Designed wireframes and mockups based on user flows. Collaborated with developers to streamline the app and web experience.

The World is Fun | Graphic Designer

Nov 2018 - Mar 2020, Seattle WA

Produced and updated physical materials for the organization with over 5,000 volunteers and 90 staff members. Worked collaboratively with design team to create client needs such as signage, posters, anniversary logos, and volunteer badges. Created visual assets for the website and marketing pieces for the organization as needed.
